Pharmacy Network

The American Health Care pharmacy network has over 65,000 pharmacies under contract to serve your needs. Provider pharmacies are the major chains and thousands of independent pharmacies in all 50 states.

Mail-Order prescriptions can be filled through the preferred mail-order pharmacy, Catamaran Home Delivery. However, if you are unable to receive an updated prescription you can have your refills transferred by contacting Catamaran Home Delivery at (800) 881-1966 and providing your previous mail service pharmacy information. Additional information can be found within the enclosed brochure or online at www.mycatamaranRx.com.

Specialty prescriptions can be filled through the preferred specialty pharmacy, BriovaRx.
